

Competitive Swim Team

Medford Fitness is proud to announce our new partnership with Jersey Wahoos Swim Club starting September 2024. The goal of this partnership is to share the positive experience of being a year-round competitive swimmer to as many new young athletes as possible. Jersey Wahoos is a community-based nonprofit based in Mount Laurel for over 50 years. They are currently ranked 21st team in the nation. Our goal is to create a positive learning environment where swimmers can learn and grow to ultimately have one of the best experiences of their lives through swimming. For more information and registration please contact Lindsay Clemens at (856)-234-5898 or lindsay.clemens@jerseywahoos.org
